PREPARATORY SCHOOL

Copthorne Prep - Year 5 & 6 11+ Practice

19 September 2018

Dear Parents

All pupils in Years 5 & 6 have been given access to a website called 'Planet Bofa' www.bofa11plus.com. The login to this is the same as their school account.

The website allows pupils to practice 11+ style questions in Maths, English and Verbal and Non-Verbal reasoning. It is great practice for the ISEB testing, as well as supporting work in class. The pupils will have a look at the site during their Maths lesson to familarise themselves with it.

Alongside this they also have access to the 11+ Bond website www.bond11plus.co.uk their maths teachers will give them their log in.

Should you have any questions do not hesitate to contact your child's maths teacher direct.

Kind regards

Mrs Charlie Lee

Head of Maths
