COPTHORNE
PREPARATORY SCHOOL

Future Schools' Evening - Tuesday 9 October 2018

24 September 2018

Good morning to you!

I hope you have had a lovely weekend despite the terrible rain yesterday!

I would like to invite you to our Future School's Evening which is being held on Tuesday, 9 October from 5.00pm - 7.00pm in the Sports Hall.

There will be 28 schools attending, who will be looking forward to discussing their admissions process and timings with you if you are interested in their school. Heads, Registrars, Heads of Year (to name a few) will be attending on behalf of their schools. We hope this event will be a great addition following our informative "Where next after Copthorne" evening we held last week, to help plan the future education of your child/children.

I have attached a poster which lists all the schools attending.

And finally to help with catering, please can you complete a very quick "Yes/No" by clicking on this link.

Kind regards

Carole Kinnear
