Copthorne Prep - Maths Equipment for Years 7 & 8

06 September 2018

Dear Parent/Guardian

Welcome back, I hope you had a lovely summer break. I have had several enquiries about what equipment pupils need for maths in Year 7 & 8 and any recommended revision guides.

With regards equipment pupils will need a geometry set and a scientific calculator. A clear pencil case with the following items; 2 pencils, 2 pens, a highlighter, a ruler, a compass, a 180 and 360 protractor and an eraser is available from school at a cost of £4.50.

The recommended Scientific Calculator is the CASIO FX83GT or CASIO FX85GT, should you wish to purchase one of these they are charged at £9.

If you wish to purchase either of these please email me on clee@copthorneprep.co.uk and I will arrange for the cost to be added to the end of term bill.

Revision Guides – I would recommend purchasing the Galore Park 13+ Common Entrance books/guides.
