Year 3 & 4 Mary Poppins Production - Costume Information

7 February 2019

To: Year 3 and 4 Parents

Dear Parents

Mary Poppins Production - Monday 25, Tuesday 26 and Thursday 28 March

Firstly I would like to thank all of the parents who have been hard at work and have sent in their child's costume for the production already, they all look absolutely fantastic!

If you haven't been able to organise, or produce a costume yet then I have managed to source some costumes for the production that are available to hire with anything from Mary Poppins, to the chimney sweeps and penguins for £10 per costume. If you are interested in hiring a costume then please let me know. The costume charge will be added onto your school bill.

Please can we ask that **all** costumes, that are not being hired, are sent into school on a hanger in a named carrier bag before **Friday 15 February.**

Thank you in advance for all your efforts!

Yours sincerely

Tanya Carter

Year 4 Class Teacher
