Year 7 Golden Time Treat - Autumn 2018

18 October 2018

Dear Parents

I hope your son/daughter has settled well into their first half term in Year 7. As you may be aware the Golden Time 'treats' are now calculated on a termly basis.

This term their treat is an afternoon at the Triangle in Burgess Hill during the last week of term. To qualify for this treat they need to have collected 150 points, these include their star total as well as points awarded for their half term assessment. However if a pupil gains more than 30 minutes off they may not be able to attend, we look at each pupils minutes off on an individual basis.

Please do take this half term to chat with your son/daughter to see what their current total is. Should you have any queries please email their tutor directly. Have a great half term.

Mrs Lee

Director of Wellbeing
