March 2018

Dear Parents / Guardians,

School Fees 2018/19

I am writing to confirm that, following the Spring Term Governors Meeting, the fees for the forthcoming academic year have now been finalised.

In the independent school sector affordability of fees is a key concern. The Governors are fully aware of this situation and have endeavoured to minimise the necessary increase. To maintain the school's excellent reputation, as well as ensuring the further development of the school, an increase is unavoidable. This increase will enable the school to continue to provide the care, consideration and encouragement of its pupils so that they achieve their very best in personal and academic development, thus preparing them for the next stage of their lives.

Reception	£ 3,080
Year 1	£ 3,175
Year 2	£ 3,230
Year 3	£ 4,260
Year 4	£ 4,675
Year 5	£ 5,365
Year 6	£ 5,365
Year 7	£ 5,365
Year 8	£ 5,365
Weekly Boarding	£ 5,855

We are very keen to ensure the school continues to evolve and flourish. Careful budgeting and accurate forecasting will enable us to meet our objectives. We are mindful to ensure that your money is wisely spent.

The education and continued development of your children remains our top priority and I would like to thank you for entrusting them to our care and for your continuing support.

With Kind Regards,

Mrs Kathryn Bell
Chair of Governors
