Love in a Box

05 November 2018

Dear Parents

At the end of last term the Prep school children attended an asembly with Mr Jones who explained about the Mustard Seed Relief Mission and their 'Love in a Box' appeal.

Leaflets were handed out to nursery and Pre-Prep children and Prep had theirs put into the end of term envelopes. However if you follow the link below a leaflet can be downloaded and printed off from the Mustard Seed website.

Each box should contain the appropriate gifts, a completed 'Love in a Box' leaflet and a donation of £4.00 per box is requested which goes towards some of the transportation costs.

Our boxes will be collected on 21 November 2018.

Love in a Box

Thank you in advance for your kind donations which can be left in the corridor outside the Prep Office.
