As always we are hugely grateful to you for your cake donations, please can we remind you that we are a nut free school and cake donations should be dropped to the H.E. room on Thursday 27th September between 3.45-5pm. If you are baking, then there are some lovely recipes attached, if you need inspiration! Please name all containers/plates so that they can be returned to you.

There is still time to donate raffle prizes, so feel free to drop these into either school office.
