Copthorne Prep Triathlon - Sunday 19 May 2019

05 March 2019

Dear Parents

Further to my assembly with the children yesterday, I just wanted to follow up with the poster and registration form for the Triathlon on 19 May, copies are also available in both the Pre-Prep & Prep offices.

I am hoping that this wonderful event will be supported by our Copthorne family and their friends too! New for 2019 is an adult team event which I am sure is going to be lots of fun and I am hoping that the Senior Leadership Team will also be competing against some sporting parents!

There is an Early Bird discount which ends on 22 March so don't delay in completing the registration form.

We are also looking for sponsors for goodie bags for the children, which they love getting on the finishing line; so if your company would like to get involved or if you would like to make a donation then please do get in touch with me personally - cjones@copthorneprep.co.uk.

Yours sincerely

Chris Jones

Headmaster
