Hi 5 Easter Holiday Club - Swimming Pool News

22 March 2019

Dear Parents

I am writing to advise you that unfortunately our swimming pool facility will not be available during the Easter holiday break.

The estate management team have decided to refurbish the swimming pool area by replacing the linning of the pool and the flooring surrounding it.

This will take approximately 3-4 weeks to complete, but we do hope the wait will be worth the disruption caused.

I can only apologise for any inconvenience. The Hi5 team will make sure there are lots of alternative fun activities to keep the children occupied and entertained throughout the week.

I would like to take this opportunity to thank you for your understanding and patience regarding this essential upgrade.

Kind regards

Sophia Pavlou

Hi5 Manager
