COPTHORNE
PREPARATORY SCHOOL

Year 5 & 6 Drama Productions 2019

08 March 2019

Dear Parents

Since the beginning of the term, your child has been rehearsing in preparation for their class play. It would be fantastic if you'd be able to attend your child's performance. The curtains will open at **18:00 prompt**, and should close between 18.30 and 18.45.

The students are very excited, and are looking forward to performing on stage at the start of next term. It would help immensely if you would be able to help them arrange their costumes, so they are in school by the end of term. Attached is a cast list with a bit of guidance for some costumes, but a lot is up to the children and they can get creative.

5SL will be performing on **Tuesday 30th April at 18.00**

5SB will be performing on **Thursday 2nd May at 18.00**

6LD will be performing on **Wednesday 24th April at 18.00**

6DC will be performing on **Thursday 25th April at 18.00**

Looking forward to seeing you at the performance!
