COPTHORNE
PREPARATORY SCHOOL

May 2019

Dear Parents,

The transition experiences have started well and the children are starting to feel more confident about moving up to Year 3 … in fact most are very excited!

All children have been given a 'Year 2 to 3 Passport'. This is to help them become more familiar with aspects of the Prep school. The children moving on to Year 3 in a different school have a Passport that is tailored towards their move, so it may look slightly different.

The diary is also a good way of helping the children to understand the expectations of the Year 3 teachers so that they can practise skills that they find tricky over the Summer holidays.

It has different sections which will be completed at different times; please check the note at the top of each page.

If you have any queries, please do speak to us.

Kind regards,

Year 2 teachers
